

# Signing Up for a Multi-Generation Portrait?

Now is the **perfect** time for taking that multi-generation portrait. Photographing your family together will leave you with memories that will last *generations*.

You will need to sign up for more than one time slot, so use the tip below to decide how many slots are needed.

Family 1 Portrait = 1 time slot

Family 2 Portrait = 1 time slot

Family 3 Portrait = 1 time slot

Multi-Generation Family Portrait (Family 1 + Family 2 + Family 3) = 1 time slot

**TOTAL = 4 time slots**

You will need to use a different  
**NAME** and **PASSWORD** for each time slot.

*If you need help signing up for multiple slots, please stop by the Welcome Desk at church between Sunday services.*
